

The Breanna Lundrigan Memorial Bursary \$100

Breanna was a very beautiful, intelligent and affable young lady. Polite, wholesome, conscientious, caring and kind are also some words that are synonymous as we remember our Breezy. She was to enter Grade 12 at SAERC where she was an excellent student and represented her school on the soccer and track and field teams. She excelled in the things that were important to her like soccer and her grades in school. Breanna was able to maintain above average grades at school as well as work as a part-time Subway Artist in Aulds Cove. She always put forth her best efforts in whatever she put her mind to. She had aspirations of one day working in a profession where she would demonstrate her qualities in helping others. Always and Forever, Breezy!
