

Nova Scotia Teachers Union

Inverness Local

2017 Education Award

The Inverness Local of the Nova Scotia Teachers Union may award, annually, up to **nine (9)** education awards of **five hundred dollars each (\$500.00)** to eligible students pursuing post secondary studies.

To be eligible for consideration of an award, the candidate must be in his/her first year of graduation eligibility and a dependent of an NSTU member of the Inverness Local as specified in Category A or Category B in the Guidelines below. It should be noted that commendable academic performance in conjunction with participation in school and community affairs will be used as criteria in the selection process.

The applicant must ensure that Section A and Section C are completed prior to submitting the form to a school official for verification. It is the responsibility of the school to ensure that the Selection Committee is in receipt of the completed application form on or before Monday, June 5, 2017. Each Academy is represented on the selection committee.

The successful applicant will receive recognition at the local graduation ceremonies. The award will be issued in January if the student's post-secondary field of study begins in September. If however, the student's post-secondary field of study begins in January, then he/she will receive the award in May. The award will be issued upon written confirmation from registrar of enrolment or completion, whichever comes first, at the post-secondary institution. The NSTU School Representative shall inform the Treasurer of the NSTU local of the eligibility of the recipients.
