Guysborough County Local

MEMO

To: Guysborough County Local NSTU Members
Guysborough County Local High School Bursary Chairpersons
From: Scott Hudson, Guysborough County Local Treasurer
Re: Guysborough County Local NSTU Educational Awards
Date: May 10th, 2017

The Guysborough County Local of the NSTU annually presents two different bursaries to graduating students within Guys. County. Each high school within the county will receive a \$300.00 bursary for a member of the Class of 2017 including a bursary for former students of Mulgrave Education Centre who are continuing their education at other high schools in the region.

In addition to these educational awards, the Guysborough County Local will present six (6) bursaries in the amount of \$400.00 to graduating sons/daughters of members of the Guysborough County Local. These students may be graduating from any high school in the region. The educational awards are reviewed annually to determine the availability of local funds.

The NSTU Guysborough County Local Bursary Committee selects the recipients from the qualified applicants. The committee will determine the recipients based on the following guidelines:

1. The students must be a perspective graduate who has been accepted at a post-secondary institution.
2. The student must be active in school and/or community activities.
3. The graduate must be the dependent of an active member of the Guysborough County Local of the NSTU.
4. Preference will be given to dependents of teachers who are active in the local.
5. Consideration will be given to previous award winners with the intention of avoiding repeat family recipient receiving priority over a student whose siblings have not received an award.

Eligible students may apply for this award by submitting a cover letter, resume, and a copy of acceptance to a post-secondary institution. The cover letter must include the applicant's relationship to a Guysborough County Local union member and their SIN#. The deadline for applications is Friday, June 9th, 2017.
